- Ownership: The consignor retains ownership until the sale is final.
- Insurance: Items are the consignor's responsibility until sold.
- Payment: Consignor is paid within the number of days listed below after sale completion.
- Unsold Items: If unsold, items must be picked up or returned at the consignor's expense.
- Return of Firearms: Federal law requires the consignor to complete ATF Form 4473 and pass a background check before any consigned firearm is returned.
